You recognize that by its very nature, athletics may put students in situations in which serious and perhaps fatal accidents may occur. You further realize that no amount of instruction, precaution, or supervision will totally eliminate all risk of injury. Acknowledging that such risks exist, you grant permission for our son/daughter to participate in St. Luke’s School programming (including but not limited to camps), and you further agree to protect and save harmless St. Luke’s School, a corporation, any team sponsor, and any and all individuals connected with said school programming from and against any and all liability or claims for damage for any injury which may or might arise, or be suffered by said student arising out of or in any way connected with his participation in said program activities.

At St. Luke’s, a certified athletic trainer is present for all summer programs. Should a student-athlete be suspected of a head injury they will be removed from participation and evaluated. As a parent, should you see any signs/symptoms of a concussion, please contact the athletic trainer immediately.

You authorize that St. Luke’s School and its licensees have the right to use all photographs or videos taken of me or my child while participating in St. Luke’s School programming for advertising or promotional material.
