“EACH GENERATION MAKES ITS MARK ON THE EVOLUTION OF ST. LUKE’S SCHOOL. NOW IS OUR TIME.”

–Mark Davis, Head of School

St. Luke’s has never been stronger. Thanks to the past support of trustees, parents, alumni, and friends who invested in our facilities, programs, and endowments, our students reap the benefits today. It is our turn to be the difference makers.

Join us. Complete St. Luke’s campus master plan by the year 2020 with the addition of a new Library, Visual Arts Wing, Humanities Wing, and an expanded maker lab. Secure our ability to attract and retain exceptional faculty by increasing our endowment and building a robust Annual Fund.

Together we can shape the future of St. Luke’s School. Now is the time.

ALL TIME GIVING TO ST. LUKE’S: $93,660,000
