St. Luke’s School Website (www.stlukesct.org)
The School’s Website is a dynamic part of school life and serves as a key communication tool for the St. Luke’s community. In addition to using it for general School news, parents and students can also gain access to password-secured information about School and class events, homework assignments, schedules, grades, report cards and other specific information. There is also a parent email newsletter that is regularly used for timely notices.

School Closing Information
Should weather or emergency conditions make it necessary to close School, to open late, or to dismiss early, the School will do the following:

- Submit a broadcast message to all family telephone numbers in the School’s database
- Display a Special Announcement on the front page of the School’s website www.stlukesct.org
- Provide information about the school schedule using the outgoing message of the School’s general number, (203) 966-5612; and
- Broadcast school delay or closing announcements on a number of local media outlets, such as WEBE 108, Newschannel 12, and TV Channels 6 and 8.
