Dear Summer at St. Luke’s Families,

We can’t wait to welcome your family to the Hilltop for Summer at St. Luke’s! Before our programs get underway, I wanted to share some important COVID-19 safety protocols.

- Summer at St. Luke’s will continue to adhere to all CDC and OEC guidelines for COVID safety and prevention related to schools and youth camps.
- Before arriving at camp each day, families must complete the CDC Coronavirus Self-Checker for each child attending. (Please note, even if your child is vaccinated, we ask that you complete the self-check.) If the self-check recommends testing, please contact coronavirus@stlukesct.org immediately so that we may prepare for contact tracing should you receive a positive test result.
- In the event of a positive case, the family must notify coronavirus@stlukesct.org. Summer at St. Luke’s will then conduct contact tracing to determine anyone who may be considered a close contact and send an email to families who need to quarantine. All close contacts will be asked to quarantine for ten days from the date of last contact, and close contacts who participate in sports camps will be asked to quarantine for 14 days. We will not share the names of or health information about any Summer at St. Luke’s member.
- All faculty, staff, and counselors will wear a mask and practice physical distancing at all times indoors (except while seated at partitioned tables during lunch) regardless of vaccination status.
- Faculty, staff, counselors, and student-participants may remove their masks while outside and physically distanced. However, masks will be required outside during activities involving close contact with unvaccinated individuals and in large group settings. (Please note, if you prefer to have your child masked at all times, even when outdoors and distanced, they may do so.)

Summer at St. Luke’s is doing everything possible to make our programs safe, fun, and memorable for all our participants. Thank you for your kindness as we continue to navigate these unusual times. If you have any questions regarding our COVID-19 safety protocols, please do not hesitate to call or email me.

I look forward to an enjoyable summer with your children here on the St. Luke’s Hilltop!

Sincerely,

Hunter
